

Nordicfest 2016 – “Be Our Guest at the 32nd Fest”

September 9&10, 2016

Set Up and General Instructions

Those food booths that are trailers can be set up as early as Tuesday, September 6, in the evening. Please call Pam 334-1156, when you plan on setting up so we can be there to let you know where you will be located. All other booths can start setting up as early as 9:00 am Thursday, September 8th. The booth areas will be marked out in chalk with a sign with your name on it.

Each booth is required to provide at least 3 picnic tables. If you have a double booth or trailer you are required to have 6 tables. If you bring classroom tables, bring 8 chairs for each table.

Each booth will provide one 39-gallon size garbage can for public use, also a box of 16-18 gallon garbage bags to fit the can. Place the extra bags in bottom of garbage can for public use so that the clean up committee have bags to change to.

Use your yellow jacket traps...have mustard and band-aids handy in your booth for any stings. Toothpaste also works well!

All booths MUST sell pop or water for \$1.00 and coffee for \$.50.
